

Hello!

Thanks for your interest doing a DTS. Here is a short introduction on the Discipleship Training School (DTS) with Youth With A Mission.

Youth With A Mission is an international and interdenominational Organization. Our motto is "To know God and Make Him known". The punchline is to know God's Character, His Power and His Reality. Below are five points on the purpose of a DTS. n.

The goals of a DTS are:

- **to gather and to challenge**
Together we will worship, listen to and obey God, and we want to release you (in the context of the DTS) to serve through evangelism, intercession, acts of compassion and other expressions of God's heart for the world, possibly even pioneering new ministries.
- **to inspire and cultivate growth**
Strengthening your relationship with God resulting in Christ like character, which is based on a solid Biblical foundation, the work of the Holy Spirit and the personal application of Biblical truth, especially concerning God's character, the cross and empowering grace
- **to sharpen**
Increasing ability to relate to, learn from and work with people, including those of different cultures, personalities and perspectives.
- **equip**
Enabling you to serve God's purposes either in or outside of YWAM's Family of Ministries, strengthening a commitment to reach the lost, especially the unreached, to care for the poor, and to influence all areas of society.
- **impart**
Pass on the vision and foundational values of Youth With A Mission international as well as that of the host operating location and to provide information regarding a variety of opportunities for service.

Every week in the school we have guest Speakers coming from all over the world who will teach you on topics such as:

1. Father Heart of God
2. The Kingdom of God
3. Worship as a lifestyle
4. Intercession and Spiritual Warfare
5. Identity and Calling
6. Relationships
7. Clear Conscience
8. Holy Spirit

The DTS is a six months program divided into two sections. The first three months is the lecture phase where you learn and have the opportunity to get to know God better and experience practical discipleship. During the theory phase there is a mini-outreach for two weeks in Germany to help put into application what you've learnt.

Finally for the last three months there is an international evangelistic outreach, where you apply fully what you've learnt in different creative ways, such as personal testimonies, ministering in schools, universities, orphanages, churches, youth groups and practical work. You and your team will bring God's LOVE, the gospel of Jesus to the Nations and experience God work through you.

This is just a short summary of what to expect in a DTS, one of the ultimate things is that your life will change, you will meet with God if you are open to, and for sure growth will be evident in your life, too.

Attached is a flyer for the school you can read for more details about our DTS. You can apply online. If you have any further questions please feel free to write me.

I am looking forward to hearing from you, and am sure if you make it for the DTS your life will not be the same at the end. Why - you might ask. It's because God is faithful to His word and as a school we have seeing God show up time and time again, and our expectation for this school is that He will.

We hope to have you with us here!
